The Superdolls' show is self contained with full production, PA and Lighting which is tailored to suit each venue. An all girl disco and mistress of ceremonies can also be added to complete this fabulous female line up. For larger events the girls can work with a seven piece support band for an even more spectacular show.

Combined with a disco or backing band the Superdolls' show is perfect for a dinner dance and provides a whole evening's entertainment. In concert mode the girls' dynamic and energetic cabaret set will enliven any event, from an arena show or corporate party to a high impact product launch.

Since their formation in 2009 the girls have played at numerous Weddings, Barmitzvahs and other private parties across the UK, they performed a fantastic acapella set for a highly successful AutoTrader PR event and entertained the crowds between races at the Epsom Derby and Sandown Park. The Superdolls opened both The Big Night Out in Madehurst and the Dave Lee Talent Tour and enjoyed huge success as they toured across Germany entertaining the Armed Forces.
